Dear Graduates, Class of 2024,

Congratulations on this momentous occasion! Your graduation from Yamanashi Gakuin University marks the culmination of years of hard work, dedication, and perseverance.

As you stand on the threshold of a new chapter in your lives, I want to take this opportunity to share some reflections and words of encouragement with you.

In today's fast-paced world, it's easy to get caught up in the pursuit of material wealth and external validation. However, I urge you to remember that true fulfillment does not come from the accumulation of possessions or status. Cherish the freedom to pursue your passions and live authentically, free from the constraints of peer pressure and artificial social constructs.

As you navigate the complexities of life, keep an open mind, and embrace the truth in all its forms. Cherish the differences that make each individual unique and practice humility in your interactions with others. It is through empathy that we gain the wisdom to appreciate the diverse perspectives and experiences that enrich our lives.

Do your best in all endeavors and trust in the karmic power of the universe to guide you. Believe in yourself and listen to your intuition, for it is often the voice of your conscience and your deep-held values speaking to you. Seek the truth with unwavering conviction, for only the truth can truly set you free.

Behold the power of knowledge, and beware of falling into the trap of revering crude power that leads to unconscious feelings of inadequacy, inferiority and fear. Instead, focus on actions that cultivate your self-confidence, inner strength and wisdom, and let your actions be guided by compassion and integrity.

As you embark on this new chapter of your lives, remember that true success is measured by the impact you make on the world and the lives of those around you. Stay true to your values, follow your passions, and never lose sight of what truly matters.

I wish you all the best in your future endeavors, and may you continue to strive for excellence in everything you do.
